Role

THOMAS provides psychosocial recovery services to people with drug and alcohol addictions. Its projects consist of residential and community based services.

Part of this post involves working within the Changing Futures project part of Building Better Opportunities, jointly funded by the Big Lottery Fund and the European Social Fund.

Through Building Better Opportunities you will support people who have overcome substance misuse to become mentors for people who still need intensive support.

You will be required to oversee, develop and deliver support programmes for participants and the mentors who support them.

Building Better Opportunities is funded for 15 months only

Additionally you will work within the Inspire integrated prevention and recovery service in Blackburn with Darwen.

Through Inspire you will deliver CGL's Foundations of Recovery and other group programmes to people at different stages of their recovery journeys. You will work with the THOMAS Inspire team leader and Inspire colleagues to develop effective approaches and identify programme requirements.

This post is part jointly funded by the Big Lottery Fund and the European Social Fund
